To order hard copies of the Field Journals, go to shop.symphonyintheflinthills.org.

The Field Journals are made possible in part with funding from the Fred C. and Mary R. Koch Foundation.

This Event is brought to you for free and open access by the Conferences at New Prairie Press. It has been accepted for inclusion in Symphony in the Flint Hills Field Journal by an authorized administrator of New Prairie Press. For more information, please contact cads@k-state.edu.

NATURE

*We abuse land because we regard it as a commodity
belonging to us. When we see land as a community to which
we belong, we may begin to use it with love and respect.*

Aldo Leopold, Foreword, *Sand County Almanac*

ROCK SOLID

What forces forged the Flint Hills that we know and love today? What are those flinty rocks made of? How has stone influenced the Flint Hills economy? And how has the character of the land influenced the Flint Hills' signature activity, cattle grazing?

To find some answers, pull on your work gloves, grab your shovel, and prepare to dig deep with the region's geologists, ranchers, and stone crushers to understand the natural history of the Flint Hills and its influence on human activity, both past and present.
