OUR MISSION

Heighten appreciation and knowledge of the Flint Hills tallgrass prairie

Symphony in the Flint Hills, Inc., works to build awareness for the tallgrass prairie, an ecosystem that once covered 170 million acres of North America. Through year-round programming, we celebrate the history, ecology, and culture of the Kansas Flint Hills. Each June 7,000 kindred spirits gather for our signature event, which includes heritage and culture presentations and a world-class symphonic concert in an unmatched prairie setting.

In the past year, we have expanded our education programming. We are excited to share that articles from past Field Journals are now available to anyone at any time in a searchable online database. As part of our year-long celebration of the 150th Anniversary of the Chisholm Trail, we have partnered with Flint Hills Design to produce a traveling exhibit entitled *The Chisholm Trail: Driving the American West*. As it travels to cultural and arts institutions throughout Kansas and beyond for years to come, the exhibit will share both the story of the Texas cattle trails and our grasslands mission with thousands of visitors. We have also been proud to participate in the creation of the documentary *Prairie Suite: Symphony in the Flint Hills*, which debuted in August 2016. You can learn more about our programs at symphonyintheflinthills.org.

Our work is possible with the support of our many donors, volunteers, and friends. Thank you for your dedication to Symphony in the Flint Hills.

MAJOR PRESENTING SPONSOR

As 2017 Major Presenting Sponsor, BNSF is honored to join Symphony in the Flint Hills in commemorating the 150th Anniversary of the Chisholm Trail. In the cattle trail days, BNSF moved Texas longhorns from Kansas to markets across the country. Today, we move Kansas goods to the world. We are proud to partner with Symphony in the Flint Hills to celebrate the tallgrass prairie and the cowboy spirit.
