SYMPHONY IN THE FLINT HILLS, INC.

Welcome to the Tenth Anniversary of Symphony in the Flint Hills! In celebration of our milestone anniversary, we are proud to partner with the Kansas City Symphony and The Nature Conservancy to showcase the *Grasslands of the World*, both through an expanded music program and through education sessions featuring some of the world's experts on grasslands conservation.

The 2015 *Field Journal* tells the stories of the world's grasslands, their histories, their cultures, and efforts to sustain them. We are excited to feature the work of authors, photographers, and artists who have captured the essence of some of the most endangered places on Earth.

We invite you to learn more about our year-round programming at symphonyintheflinthills.org. None of our work would be possible without the support of our many Sponsors, Patrons, Grassroots Donors, and Volunteers. Thank you for your support of Symphony in the Flint Hills, Inc.
